

Invest in Student Outcomes, Not Just Programs

Use this guide to get started with **Outcomes-Based Contracting (OBC)** and bring focused, measurable growth to your district.

STEP 1

Select

SELECT AND ALIGN STAKEHOLDERS

Choose representatives from various teams (teachers, building leaders, and district administration) and determine the overall goal.

STEP 2

Identify

IDENTIFY TARGET STUDENT GROUPS AND DESIRED OUTCOMES

Define the type of student who would most benefit, as well as what measured success would look like.

STEP 3

Create

CRAFT A PLAN

Create a success plan for a partner who consistently demonstrates evidence of effectiveness for achieving your targeted outcomes.

STEP 4

Finalize

FINALIZE CONTRACT

Include terms for payment schedules, expected growth measures, and mutual accountability.

STEP 5

Implement

IMPLEMENT AND MEASURE OUTCOMES

Review metrics regularly, then use insights to guide discussions on driving continuous improvement.
